CHRIST REDEEMER CHURCH OF GUNTERSVILLE

AUGUST 1, 2024

VOLUME 2

A WORD FROM OUR PASTOR

Dear Church Family,

It is obvious to me that God is doing something special in our church family. I am honored to be part of what He is doing in Guntersville. I find it a double honor to be called your Pastor. As such, I need your help. Each week we have guests who are with us for the first time. Please help me touch every person. Our numbers now exceed my personal ability to reach each person. Please partner with me and exercise the gift of encouragement. Let someone know that you are happy they chose to join us.

We need each other to become all that we are to be in our mission field. When we leave worship each week we enter our mission field. I take that commission seriously. We gather to grow, encourage, learn, and fellowship. However, we leave our assembly with both a commission and passion to serve our community. We have opportunities created by your ministry team. Beyond that, you have a personal calling to a ministry that is beyond your ministry team. Please walk in your gifts, love beyond reason, and show grace at every opportunity.

Nancy Burton is now serving as our director of the new "Chaplain Ministry" at Redeemer. Nancy will be happy to point you in the direction to become a part of this new and dynamic ministry. This ministry will give us an open door at both at Marshall North and the Cancer center. Our Chaplains will visit and encourage those undergoing chemo at the cancer center and patients at Marshall North. We need YOU!

Each person reading this has intimate knowledge of someone, maybe a family member or close friend, who is not in church. In fact, many of our friends and family members have been wounded by the church in the past. Please be a practitioner of your faith and invite them to join us at Redeemer. Most of our attenders are here because someone invited them. Many more are not in our family simply because they have never been invited. The easiest way to become a fisher for men, is to invite them to worship. Please be faithful with each opportunity God provides.

Become a PARTNER at Redeemer!

Your Pastor,

Aaron

EXPERIENCING GOD

COMING THIS FALL!

Over the years, God has used the truths of “Experiencing God” to awaken believers to a radically, God-centered way of life. As a result, millions have come to know God intimately, to recognize His voice, and to understand His will for their lives.

Experiencing God is a day-by-day at home study, followed by a weekly group meeting. The course is for 13 weeks and will begin in September.

Do You Know?

MIKE RUCKS

Mike & his wife, Jan, have been married for 52 yrs. He is retired from the Life stock, Feed & Animal Health Industry. Since retiring, this man is always busy! I'm sure you've tasted some of his outstanding cooking, as he & Jan lead the Prime Timers ministry. They just recently returned from the mission trip in Montana. His favorite quote is “God is good, all the time. All the time, God is good, in all circumstances.” Amen, Mike. Amen.
